Televes

Mast 1.5m x 40 mm x 1.25mm thickness Zinc + RCP

Steel mast with an outstanding resistance to corrosion, thanks to the double treatment consisting in galvanizing and reactive coating proccess (RCP).
The swaged design allows the assembly and mounting together with other masts to make it longer.

Ref.	3040
Logical ref.	TM401500
EAN13	8424450030400

Other features

Colour	Grey

Packaging info

Film	6 pcs.
Pallet	288 pcs.

Physical data

Net weight	1,560.00 g
Gross weight	1,560.00 g
Width	40.00 mm
Height	1,450.00 mm
Depth	40.00 mm
Main product weight	1,657.00 g

Highlights

- Zinc coating + RCP: Outstanding resistance to corrosion

Televes®

Technical specifications : Ref. 3040

Mast model		Plug-in mast
Mast material		Steel
Surface protection		Zinc + RCP
Length	m	1.5
Diameter	mm	40
Thickness	mm	1.25
