

Shockwave HSS-G TiN Red Hex 10 mm - 1 pc | RED HEX - SHOCKWAVE™ HSS-Ground titanium metal drill bits

- Impact rated drill bit with 1/4" hex shank optimised for impact drivers.
- The Chip Breaker tip splits up the size of the material from the cutting edge and helps cooling down the material.
- The 135° tip angle reduces tip walking and allows a precise start.
- The flute design allows for a faster material ejection and decreases heat build up for more efficiency.
- The titanium coating dispenses heat.
- Higher versatility thanks to the 1/4" hex shank which makes this drill bit suitable for impact and drill drivers.
