

# DECLARATION OF PERFORMANCE

## DELTA Easy Rail

**ORIMA**<sup>®</sup>

Nordic solar partner

### Unique identification code of the product-type:

Orima<sup>®</sup> SOLAR DELTA Easy Rail, mount system for pitched roofs

Name	Product code	Installation guide
Easy Rail seam metal roof fastener	36840	DELTA Easy Rail
Easy Rail brick-pattern sheet roof fastener	38010	
Easy Rail profile sheet / bitumen roof fastener	38020	
Easy Rail tile roof fastener	38030	
Easy Rail tile roof fastener, additional support	36250	
Easy Rail mounting profile 3,1 m	36600	
Easy Rail T-bolt	36900	
Easy Rail Flange nut	36910	

### Intended use of building product

Solar panel mounting system permanently installed to the construction of pitched roof.

**Manufacturer** Orima-Tuote Oy, Kankaantie 6, FI-16100 Orimattila  
+358 3 872 100, [www.orima.fi](http://www.orima.fi), [solar@orima.fi](mailto:solar@orima.fi)

### Product testing

All components of the Easy Rail system are tested to withstand a snow load equal to 2 kN/m<sup>2</sup> directly on solar panel surface with fastener spacing c-c 1,6 m.

**There is not a harmonized standard for solar panel mounting systems and therefore cannot be CE marked.**

**The performance of the product identified in this document is conformity with the declared performance above. This declaration of performance is issued under the sole responsibility of the manufacturer.**
