

EC-declaration of conformity

We declare that following products are according the requirement of

EU Low-Voltage Directive 2014/35/EU

Manufactures: Flexible control cables,
Electronic cables, telecommunication cables and wires for intrinsically safe systems,
BUS, LAN, coaxial, video and system flat ribbon cables,
Control and data cables for use in drag chains, robot cables (also with UL/CSA approval),
System orientated cables,
Crane, conveyor and lift cables,
Rubber –sheathed cables,
Heat resistant and compensation cables,
Cables and wires for fixed installation,
Fuel resistant cables.

Voltage group: 50 V – 1.000 V

Type designation: SIF

Applied standards: VDE 0281, VDE 0293, VDE 0472, VDE 0812, VDE 0891
