

SC-836-000

AA ER14505M 3.6V Lithium Battery

Details

- For use with SmartCell wireless devices

SC-836-000

AA ER14505M 3.6V Lithium Battery

Technical specifications

Physical

Physical dimensions	14.5 x 50.5 mm (Ø x D)
Net weight	19 g

Environmental

Operating temperature	-55 to +80 °C
Storage temperature	< 20 °C

Electrical characteristics

Nominal voltage	3.6 V
