

DC-033 | **DECLARATION OF CONFORMITY**
Rev.015 – 11/2020 | Rif. UNI CEI EN 17050

TIEMME RACCORDERIE S.P.A., leader in production and sales of fittings systems, manifolds, pipes, valves and taps for hot and cold water, gas and solar installations, in conformity with the regulations in force

DECLARES

under its own responsibility, that the following products:

BRASS FITTINGS

are designed and manufactured according to the engineering practices:

- They conform to our internal manufacturing and control procedures according to the standard UNI EN ISO 9001.
- The brass alloy CW617N employed in forged bodies conforms to the standard EN 12165.
- The brass alloy CW617N employed in parts wrought from bar conforms to the standard EN 12164.
- The afore mentioned brass alloys conform to the 4MS Common Composition List and therefore are suitable for use with drinking water.
- They are suitable for use within gas installations.
- They comply with the information illustrated in the respective technical sheets.
- The CW617N brass alloy used for the parts obtained from bar complies with the French decree of 25.06.2020 and with 4MS UBA list.

DECLINES

any liability for damages to persons or objects resulting from tampering or from incorrect or unsuitable use installation of the abovementioned products.

The Technical Manager
Pierfausto Stefana
