

High voltage cable connection ring

Cat. no.
31500109

Type
315001

Material
(Al) aluminium

For insulated high voltage cable connection to Interception air rod WVM. Ring allows simultaneous 4 cable connection to one interception rod e.g 96575005. Ring assembled to interception rod spire, using socket screw M10x35. Insulated high voltage cable should be connected with firstly applied end tip 30100105.
