# Pacific TCW215

## GCW215 2 18

GCW215 - 2 pcs - 18 W

Pacific TCW215 is a functional dust- and jetproof luminaire for TL-D fluorescent lamps. The cover is fixed to the housing by means of an innovative concept using integrated fixing points to avoid external lockers. There is a choice of different standard versions available. The luminaire can be mounted individually or in-line, with easy 'click' installation. Flexibility is ensured with a choice of fixing points and different cable entries. The TCW215 can also be suspended from Philips TTX410 light-line systems.
