

Outdoor light

L 265 LED

EAN 4007841007898

Functional description

There's more technology in the L 265 LED sensor-switched wall light than its exterior suggests. This high-quality light pairs state-of-the-art intelligent technology with attractive design. The innovative LED lamp evenly illuminates the glass shade. The corona of LED light in the base adds an attractive lighting statement and the integrated power-LED shines down the wall when it's dark. Is your house number or your surname displayed on the wall? As usual, this light provides a wide choice settings. And as usual, these are easy to understand.

Technical specifications

Dimensions (L x W x H)	295 x 72 x 105 mm
Mains power supply	230 – 240 V , 50 / 50 Hz
Sensor Technology	passive infrared
Output	8,5 W
Luminous flux	674 lm
Colour temperature	3000 K
Colour variation LED	SDCM6
Colour Rendering Index CRI	80-89
With lamp	Yes, LED lamp
Lamp	LED can be replaced
LED life expectancy (max. °C)	25000 h
Base	E27
LED cooling system	Passive Thermo Control
With motion detector	Yes
Detection angle	360 °
Sneak-by guard	Yes
Capability of masking out individual segments	Yes
Electronic scalability	No
Mechanical scalability	No
Reach, tangential	r = 8 m (201 m²)
Photo-cell controller	Yes
Twilight setting	2 – 2000 lx
Time setting	5 s – 15 min
Basic light level function, detail	LED effect light
Continuous light	selectable, 4h
IP rating	IP44
Protection class	II
Ambient temperature	-10 – 50 °C
Housing material	Aluminium
Cover material	Glass opal
Manufacturer's Warranty	3 years
Version	Silver
