Advantages/Benefits

- **Eurofix patented model.**
- Snap closure with **special "click-function"** to prevent lower half part of clamp from falling upper half part during the installation.
- **Special designed "round stop-edge" to secure the screw in safety lock position without sliding out after the screw fastened.**
- Wide opening of the clamp due to the swivelling ability of the lower clamp half.

Technical Data

- Material: Steel 1.0332 acc. to DIN EN 10111
- Zinc plating: Pre–galvanised according to DIN EN 10327
