Cable Cutter

- for cutting copper and aluminium single conductors as well as multiple stranded cables
- not suitable for steel wire and wire ropes
- precision ground, hardened blades
- clean and smooth cut without crushing and deformation
- one-hand operation using ratchet principle
- little handforce required due to very high transmission ratio
- two-stage ratchet drive for easy cutting
- simple handling as a result of low weight and compact design - can be used even in confined areas
- with guard
- fixed handle with support area for putting down the pliers when cutting
- suitable for aluminium sector cable up to 4 x 150 mm²
- High-grade special tool steel, forged, oil-hardened
