Plug-In Neutral Terminal, blue, N 14-S Plug-In Terminal, green PE 14-S Plug-In Distribution Terminal, grey A 14-S

Application	Terminal block for mounting onto DIN rails, e.g. for domestic distribution boards and electric meter cabinets
Standards	Connecting devices for low-voltage circuits for household and similar purposes EN 60998-1
No of terminals	14 plug-in terminals and 1 box type terminal
Connection	plug-in connections 12 x 1...2,5 mm ² solid or 0,75...1,5 mm ² with ferrule 2 x 1...4 mm ² solid or 1...2,5 mm ² stranded with ferrule box type terminal (main): 1,5...25 mm ² solid or 1...16 mm ² stranded with ferrule
Nominal current	80 A (supply)
Rated insulation voltage	500 V (pollution degree 2, overvoltage category III)
Mounting	onto DIN rail TS 35/.. acc. to EN 50022 / EN 60715
IP code	fingerproof IP20
Safety	edges rounded
Environment protection	All materials and manufacturing processes comply with RoHS regulations
Accessories	-
