

Declaration of conformity

Name and address of the manufacturer:

Ciest Metal OÜ. Estonia, Harjumaa, Maardu, Kiltri tee 10, 74114

Customer: Onninen AS

Provisions to which the product conforms: ZA.3.4 acc. To EN 1090-1:2009/AC:2010

Description of the component : SFS pipe supports: 5373 DN 10 - DN 150;
5374 DN 200 - DN 500; 5375 DN 600 - DN 1200; 5376 DN 10 - DN 150;
5377 DN 200- DN 500; 5378 DN 600 - DN 1200

Particular conditions applicable to the use of the product: No

Tolerances on geometrical data: EN 1090-2

Weldability:	S235J0 according to EN 10025-2
Fracture toughness:	18 Joule at 0°C
Load bearing capacity:	NPD
Fatigur strenght:	NPD
Resistance to fire:	NPD
Reaction to fire:	Veterial classified: Class A1
Release of cadium:	NPD
Emmission of radioactivity:	NPD
Durability:	Hot dip galvanizing

Structural characteristics

Design: According to SFS standards.

Manufacturing: According to component specification
CS-M202, and EN 1090-2, execution class EXC2.

Name and position of the person on behalf of the manufacturer:

Maksim Ivanov
Director

1526
