

## KeySafe Pro Permanent - StrongBox design with pushbuttons

001365

### Key box with pushbuttons for up to 5 keys

The KeySafe Pro Permanent provides convenient, managed access to stored keys (max. 5). The StrongBox design has a solid track record for unmatched quality and security in residential and small business applications. The code can be changed anytime for added security. A durable weather cover is available to prevent water intrusion and to hide out of sight.

Available in multiple neutral colours.

Residential applications: children get home, unattended servicing, spare keys, more secure storage of hidden keys, emergency entry, vacation homes,...

Business applications: alarm & emergency entry, office keys, access to cabinets, access on construction sites, home healthcare access, property management, remote sites,...
