Velcro tape

For coaxial, data or fiber optic cables

8m nylon tape that allows the fastening and organization of any type of cable. Its velcro-type system provides a firm and secure hold by adhering one surface of the tape to the other, and allowing it to be reused as many times as necessary thanks to its simple separation. Supplied in 2-unit bag.

Ref.200101

Art.Nr

KB8

EAN13

8424450228135

Highlights

- Quick and simple installation, without tools required
- Easy tape cutting, with conventional scissors
