WAM

Choose premium quality for your screen !

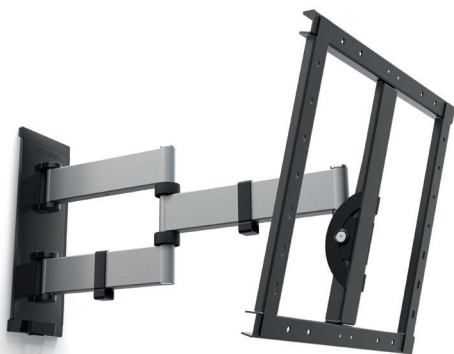

ERARD®

WAM

WAM mounts combine manufacturing **precision and reliability**. Thanks to laser welding and superior assembly, each mount offers unparalleled ease of use.

Delivered pre-assembled, the WAM mounts can be easily fitted to all types of walls, including plasterboard, with the **WAMADAPTPLACO adapter**.

A premium design, made for all screens and for all users.

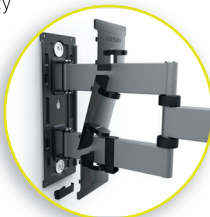

Eccentric washers to correct drilling mistakes

Adjustable tilt up to 15°

Screen security

Wall screw covers

Removable cable-management clips

Simplified and reinforced screen mounting
