

Article datasheet s47

Art. No.:	s47
Article:	PhoneBase
Short text I:	Inductive Charging of Smart Phones at the Monitor
MPN:	s47_0100
EAN:	4260258610475
Net weight (kg):	0.14
Gross weight (kg):	0.23

PhoneBase is a MagSafe charger on monitor for all phones that support wireless charging.

The mount can be attached to the left or right of the monitor and is suitable for flat and curved monitor backs. It is also ergonomically adjustable, aligned flat to the monitor or towards you. Connect it to a USB-A or USB-C port on your monitor and enjoy a tidy workspace without cables on the table.

Compatibility:

Adjustable for all smartphones (length up to 170mm) that support wireless charging AirPods and most earbuds

Approvals:

None

Scope of delivery:

– Charger with USB-C cable (95cm) – USB-A adapter – Cable clip – Cleaning pads – Torx tool – Assembly instructions in English – additional adhesive pad
