

DECLARATION OF CONFORMITY

Packaging and Packaging Waste Regulation (PPWR)

Document No.	PURSO-PPWR-DOC-001
Version	1.0
Date	18 June 2026
Status	Company-level declaration for customer and supplier compliance requests

Scope note: This declaration is a Purso Oy company-level statement. Where PPWR or customer requirements call for packaging-specific conformity assessment, Purso Oy maintains or prepares the relevant packaging-type documentation and supporting evidence separately.

1. Manufacturer

Purso Oy
Alumiinitie 1
37200 Siuro
FINLAND
Business ID: 2238041-1

2. Declaration

Purso Oy declares under its sole responsibility that packaging placed on the EU market together with Purso-branded products is designed, controlled and managed in accordance with the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR), to the extent that the requirements apply to the respective packaging type and implementation date.

Purso Oy maintains procedures for packaging material identification, supplier management, material information collection, compliance assessment of packaging materials, maintenance of technical documentation, and provision of compliance information to customers and competent authorities upon request.

Purso Oy further declares that supporting documentation related to packaging materials and packaging structures is maintained and can be made available where required by customers or competent authorities.

Where PPWR requires packaging-specific conformity assessment, technical documentation and declaration of conformity, such documentation is maintained for the relevant packaging type or packaging family.

3. Scope of Packaging Covered

This company-level declaration applies to packaging used by Purso Oy for the delivery of its products, including, where applicable:

- aluminium product packaging
- wooden packaging and pallets
- plastic packaging materials
- paper and cardboard packaging materials
- protective packaging and transport packaging components.

4. Validity

This declaration remains valid until significant changes occur to the packaging design, material composition, applicable legislation, conformity assessment method, or other conditions affecting the packaging covered by this declaration.
