EU DECLARATION OF CONFORMITY
Danfoss Climate Solutions
Air Conditioning & Refrigeration Controls (PL01)

declares under our sole responsibility that any **sales packaging, grouped packaging and transport packaging consisting of below material types** is in conformity with the requirements of the EU Packaging and Packaging Waste Regulation (2025/40/EU), specifically Articles 5-12 covering:

- Substance restrictions
- Recyclability
- Recycled content
- Packaging minimization
- Labelling requirements

Packaging material and types: Labels, standard plastic part, foam, plastic bags, aluminium cans, straps, cardboard, mounting kit, wood, corrugated cardboard, tape, cellpack, blister, PP (polypropylene), expanded polystyrene, moulded plastic packaging, ABS (acrylonitrile), moulded plastic pack, and plastic film & foil.

Product categories: 4-way reversing valve, 4-way reversing valve coil, accessories, accessories – connector, accessories – mounting set MBC, accessories – cable entry Pg16, accessories – pressure relief valve, accessory, accessory bag, accessory bag – seal kit, actuator, adapter, adjustable bulb strap, air bell, air mover, angle-seat externally operated valve, armature tube assembly, armature tube assembly, armoured damping coil, assembly fitting, ass’y fitting, automatic expansion valve, auxiliary contact block, backup power module, bellows unit, bi-metal thermostat, bolt set, bracket, bulb clamp, cable, cable entry, cable plug, cap, capacity regulation valve, capillary tube, capillary tube gland, cartridge pressure switch, check and stop valve, check valve, circuit breaker, clamping band, compact pressure switch, condensing pressure regulator, cone, connector, contactor, cover, crankcase pressure regulator, CTM combi valve, CTM high pressure valve, CTM liquid valve, CTM low pressure valve, damping device, desuperheating valve, diaphragm assembly, differential pressure switch, differential pressure valve, digital pressure switch, distance piece, distributor kit, drain pump, economizer module, ejector, electric expansion valve coil, electric expansion module, electric expansion valve, electric regulating valve, electrical step thermostat, electronic soft starter, electronic timer, element for
