Cable defender Ultra L

Cable Protection for professional use. Able to handle heavier vehicles through a high load capacity.

Product arguments

- Non-slip surface, able to support high loads, from 2 to 6 tons.
- Manufactured from polyurethane (PU), which is resistant to oil, petrol and acids.
- Comply with fire classification B2.
- Withstand extreme weather conditions and temperatures ranging from -30C° to +60 C°.
- Patented interlocking design makes it easy and convenient to link multiple defenders together with minimal risk that they will separate under load.
