Twinny

332GSW 28W ACO

Acrylic cover opal

Twinny is a versatile enclosed luminaire for surface or semi-recessed mounting in areas requiring IP44 protection. It has a slim, clean design with translucent edges to create an impression of brightness. Twinny is available in 1- and 2-lamp TL-D and TL5 versions with prismatic or opal cover and optional internal reflectors (wide-beam, narrow-beam and asymmetric) for improved performance. It offers easy access for maintenance.

Product data
