

Savio TCS760/770

TCS770 3x54W/827/865 HFD AC-MLO

SAVIO - 3 pcs - 54 W - 827 warm white and 865 cool daylight - HF DALI - Acrylate micro-lens optic

Featuring Philips' patented micro-lens optic technology, Savio is a complete luminaire range that offers the ideal combination of stylish design and optimum performance for both task and general lighting. Savio has an edge-to-edge lighting appearance with a uniform and comfortable brightness impression – a real 'surface of light'. The micro-lens optic consists of a single plate and is embedded in a housing made of high-quality natural anodized aluminum. Savio ensures optimum light distribution and full glare control in compliance with the latest office-lighting norm (EN 12464-1). Savio luminaires with Dynamic Lighting keep us feeling active by creating dynamic artificial light that varies over the course of the day or is set according to personal preference. Savio is available as a full range: suspended, surface-mounted, recessed, free-standing and wall-mounted.
